

NEW HOLLAND FR FORAGE CRUISER

19NH030

NEW HOLLAND
AGRICULTURE

TRUE BLUE

NEW HOLLAND HAS BEEN AT THE FOREFRONT OF THE FORAGE HARVESTING SECTOR FOR OVER HALF A CENTURY...

with a whole host of pioneering industry firsts that have revolutionised the way you forage today. Industry leading chopping performance has been married to outstanding operator comfort. Significantly improved capacity and productivity result from better crop flow, which are all wrapped up in a sleek and tapered design which has New Holland written all over it.

BEST-IN-CLASS FUEL EFFICIENCY

The FR650 Forage Cruiser was put through its paces on the rigorous DLG Fokus testing. The results will offer you impressive efficiency savings. The FR650 consumed a mere 0.5 litres of diesel per tonne of maize foraged when chopping to 8mm. When compared to the previous FR700 this translated to a 21% fuel saving all whilst increasing capacity by 5%.
